**ON BEHALF OF THE ASSOCIATION OF EUROPEAN SCHOOLS OF PLANNING (AESOP) AND
THE FACULTY OF SPATIAL PLANNING TECHNISCHE UNIVERSITÄT DORTMUND
WE WOULD LIKE TO INVITE YOU TO A LECTURE BY EMMANUEL MOULIN AND TOBIAS KETTNER
THE FUTURE OF THE EUROPEAN CITY IN THE GLOBAL PERSPECTIVE WHICH WILL TAKE PLACE
AT THE DORTMUNDER U AT 16:00 ON FRIDAY 20TH OCTOBER 2017 IN DORTMUND.**

This is the twelfth event in the Lecture Series by well-known planners, policy-makers and other 'urban thinkers', which has been initiated by AESOP and IFHP in the framework of respectively the Silver Jubilee (2012) and Centenary (2013). The lecturers have been asked to present their ideas on 'new vision' for planning and territorial development. The lecture will be rounded off with a question and answer discussion with the audience.

This 12th Lecture is very special both for AESOP and Faculty of Spatial Planning, TU Dortmund. We would like to celebrate in this way Diamond Jubilee of **Klaus R. Kunzmann**, funding father of AESOP, who held the Jean Monnet Chair for European Spatial Planning at TU Dortmund since 1994 and who was the first speaker at the Lecture Series. **Emmanuel MOULIN** is a Head of the URBACT Secretariat, **Tobias KETTNER** is an Outreach and Liaison Officer in Europe, Habitat III Secretariat, UN Conference on Housing and Sustainable Urban Development.

We would be delighted if you could accept this invitation to the lecture.

We at AESOP and the Faculty of Spatial Planning TU Dortmund look forward to seeing you in Dortmund on 20th October 2017!
