Introduction to the Master Spatial Planning

General Information

Study without registration

Without enrollment and activation of the TU E-Mail address, participation in seminars, Master projects and studio is not possible.

However, limited possibilities are thinkable due to the current situation (Individual case decisions).

The lecture in module 1 can also be attended without registration.

The Master Spatial Planning consists of four modules spread over a standard period of study of two Semesters:

Detailed information on the modules and examination regulations can be found in the module handbook and the examination regulations, both can be downloaded from the faculty homepage:

https://www.raumplanung.tu-dortmund.de/downloadbereich.html?&no_cache=1

To participate in Module 2 Master Project/-Studio, you have to be enrolled in M. Sc. Spatial Planning. The binding request for participation in the project or studio is made during the allocation of seminar places (27.03. to 31.03.2020).

The Master Project/-Studio consists of small groups of 4 to 6 students. Working hours are Monday morning and Wednesday morning.
At this point we cannot estimate if the distribution of the master projects/studios will take place on the first Wednesday of the lecture period in GB III, R. 516 (April 22nd) or if the distribution has to be held online this semester. In any case we will inform you accordingly.

Module 3: Specialization

In module 3 every student has to study 4 seminars with term paper (2 graded, 2 ungraded) All students studying a specialization have to choose 2 graded seminars from their specialization. You will find an overview on our homepage at https://www.raumplanung.tu-dortmund.de/msc_module.html?&MP=1330-1382

The binding registration for the seminars will take place from the 27th until the 31st of March and will be held online via „LimeSurvey“. Every student will receive an Email in advance, containing the Web-Link // Please check www.raumplanung.tu-dortmund.de for the correct link to participate in the registration.
